

FOR IMMEDIATE RELEASE

SILVER STATE ARMORY, PRESENTED AS NEW PRODUCT LINE: SSA BY NOSLER®

Bend, Ore. – January, 2015 – Silver State Armory brass and ammunition will now be offered as a dedicated product line known as **SSA by Nosler®**. This product line will focus on brass and ammunition specifically tuned for semi-automatic firearms, including the M1 Garand.

SSA Ammunition will be loaded exclusively with Nosler® bullets and held to Nosler’s legendary quality standards for accurate and consistent performance. Whether the intended purpose is for match or varmint shooting, hunting or self-defense, SSA by Nosler® has you covered.

The new SSA product line will also feature new packaging and part numbers for a new look and feel consistent with the Nosler® brand.
